EXCELLENCE COACHING FOR VIOLINISTS & MUSICIANS

특히 한국 학생들을 위한

Victory Academy Berlin© has its origin in 2013. Since then music students from all over the world (Los Angeles, Paris, Seoul, London, Berlin) have profited from this unique program. Inspired by the story that Paganini formed a good cello player into a true virtuoso within three days, experience from the World Federation of International Music Competitions (Geneva), Hollywood coaches, trainers from Olympic Games' athletes as well as impulses from the fine arts, dance to science enrich this program in a unique way. Victory Academy Berlins' goal is musical excellence and humanity in the 21st century.
